Sir, 1. The brief facts of the case are a. That the complainant is a law abiding citizen of this country and by profession is a popular Gynecologist in the city and doing practice with the name and style of M/s Mittal Hospital from last 20 years. She is the only daughter of Shri SD Gupta, a retired Senior Officer in DRDO, Ministry of Defense. Complainant's mother namely Smt. Usha Rani Gupta is a Maths teacher and retired from the post of Principal of Kendriya Vidyalaya Sangathan. In year 1992, the complainant namely Mrs. Anupama Mittal married Dr. Puneet Mittal, an Orthopaedic Surgeon and son of Dr. KS Mittal, a reputed eye surgeon. b. M/s SRS is a reputed builder group based in Faridabad, having a web of numerous listed and unlisted companies working under its supervision with turnover of thousands of crores of rupees. Accused no.3, Mr. Anil Jindal, a resident of Faridabad, is the group Chairman. He and many of his family members and close associates are Directors in the complex web of listed and unlisted companies which operate under the name and style of "M/s SRS." c. It is common knowledge that Mr Anil Jindal has been attracting cash deposits for investment in various group companies from individuals by luring them with attractive rates of interest and promise that the said amount will be immediately returned for time to time needs of the family. A network of his close associates and relatives work as agents /middlemen for the same. d. That Mr Pradeep Singhal (Accused no.1) is one such middleman who claims to be very close to the accused no. 3, Mr. Anil Jindal. That the complainant and her family know the accused no. 1 for last 6-7 years. He met Dr. Puneet Mittal for the first time as a patient in his clinic namely Mittal Hospital situated at 1498/16, Faridabad and introduced himself as a businessman by profession and a very close associate of accused no.3. He further mentioned about his family background, by which, anyone may presume that he belongs to a respectable family and therefore, there was no question of any suspicion against the accused no. 1. The accused no.1 taking advantage of his family background and the image he portrayed to Dr. Puneet Mittal and with his frequent visits to the clinic, gained the trust of Dr. Puneet Mittal and his family. In April 2013, on the occasions of launch of SRS tower and, he introduced the complainant and her family to the accused no. 3 and misrepresented him as an honest business person, who has consistently given high returns to his investors and returned the invested amount as and when demanded by the investor. Subsequently in many such occasions the accused no 1 invited the complainant and her husband to the functions conducted by accused no.3 and his group companies. It is pertinent to mention herein that in this manner, the accused no.1 enticed, induced and encouraged the complainant and her family to invest cash deposits with accused no 3 through him. As over the years, the

accused no.1 became well acquainted with the complainant and her family he came to know that the complainant and her elderly mother had been saving some money for the education of complainant's children and her only daughter's marriage. That in the early 2013,the accused no.1 during his meetings with the complainant and her husband, gave brief about the new/recent plans and schemes of the companies associated with the accused 3 of "accepting deposits as investment and returning the same with the assured returns of 15% per annum". It was further explained by the accused no.1 that the said assured returns of the deposited amount will either be payable yearly in cash or the same will be added to the deposited amount for the next year. The accused no.1 also informed the complainant and her family that after the period of one year of investing the amount,the deposited amount may be demanded back by the depositor,which the invested company of accused no.3 will pay or else at the wish of the depositor,the deposits can be accounted for the next year also on the same terms and conditions.f,It is pertinent to mention that these deposits were misrepresented as highly liquid and will be returned on demand.It now transpires that the accused no.1 in criminal conspiracy with accused no.2 and 3 had briefed frivolous and ponzi schemes with the sole intention of cheating,playing fraud,duping,inducing,breaching the trust and to misappropriate the complainant and her family of her hard earned money,for the accused no.1 always knew that they were soft targets since he had gained their trust.Further,the accused no.1 represented to the complainant and her family that invested money with the above mentioned accused(s)would be totally safe.g,That it is pertinent to mention herein that in the year 2013,the accused no.3 was projecting its group companies as highly dynamic and profitable engaged in major expansions like a huge IT mall/tower and cinemas both in the Faridabad district as well as other cities.The group had widely advertised that they were accepting deposits.It is further pertinent to mention that the accused no.1further informed the complainant and her family members that being one of the close associate of the accused no.3,he would help them in investing money and gave repetitive assurances that the amount of money invested shall be returned with the promised assured returns either in part payments or in full,as and when demanded. That the complainant while reading a newspaper had seen an advertisement published by the SRS group companies of accused no.3 and their agents pertaining to the similar plans and schemes as represented by the accused no.1,i.e,"accepting the money and returning the same with interest".i,That the complainant and her husband being busy professionals were unable to verify the veracity of the plans and schemes being hatched by all the accused no.1to3.Moreover,the accused no.1 misused the trust he had gained from the complainant and her family and always represented that the plans and schemes of the accused no.3 were legit and that the money being invested will be safe.The accused no. 1 gave personal assurance for the conduct and functioning of the other accused(s).j.That as the accused no.1 showed his willingness to help the complainant to deposit the money with the companies run by accused no.3,and the complainant handed over different amounts at different point of times out of her savings,istridhan,gifts and proceeds from the sale of the old ornaments of the complainant.And,in this manner,complainant had given Rs.1400000 till November 2013,to the accused no.1 for depositing with the companies controlled/run by accused no3 in the scheme of "accepting the money and returning the same with assured returns."k.That only because of the trust and faith gained by the accused no.1,by November 2013,the mother of the complainant namely Mrs.Usha Rani Gupta also gave an amount totaling Rs.13,00,000/- to the accused no.1 to deposit the same with the companies controlled/run by the accused no.3 in the

same scheme of “accepting the money and returning the same with assured returns”.1.That on visiting the accused no3,it was confirmed by accused no.1 and 3 that the total amount deposited by the complainant and her mother by Nov.2013 was Rs-26,91,220/-as an amount of Rs 8,780/-was deducted by the accused no.1,as commission(0.25%) and sundry expenses.In this manner a deposit of Rs.13,91,220/-was shown in the complainant’s name and Rs-13,00,000/-in the name of Mrs.Usha Rani Gupta.It was also informed that the said deposits were made with the accused no 2.m.The accused no.1 to 3 also repeatedly assured that the money invested in this manner is safe and that a consolidated receipt will be issued once the funds thus invested reach a substantial level,which the complainant or her mother were never given.In a visit to the accused no 2 office in Feb 2014,the accused no.1 and 3 personally confirmed that they had invested the money in one of his best group companies namely SRS KNOWLEDGE AND TECHNOLOGIES LIMITED(accused no.2)where safety of investment were assured.n.That when in November 2015,the complainant came across some disturbing news about the SRS group fraudulently defaulting on payments to other investors,and contacted the accused no.1 and asked about her and her mothers’ deposit with the accused no.2 and 3 on which,the accused no.1 assured the complainant that the money invested is safe and will be returned to her whenever a demand is raised and there will no default on the part of accused no.2 or 3.In the same month only,through accused no.1,the complainant asked the accused no.2 and 3 to return the deposited money along with the interest as needed by her for her son’s education.Meanwhile the complainant’s mother Mrs.Usha Rani Gupta also fell in urgent need of money due to her health problems.However, the accused no.1 and 3 gave evasive replies and ignored the demand of the complainant.By this time some more disturbing news had started breaking that the above mentioned accused persons had in fact, misappropriated the hard earned money of so many other investors and instead of investing in a legitimate business activity,they had been running a fraudulent ponzi scheme with the malafide intention to dupe/cheat the innocent public at large in a scam of crores of rupees.Since the complainant was in dire need of money and a suspicion was already raised in her mind,she and her husband repeatedly contacted the accused persons to demand her money back and requested them to issue proper written receipts for the money deposited with them which they never gave.o.That when again in December 2015,the complainant contacted accused no.1 and demanded her and her mothers’ deposited money along with assured returns,the complainant noticed that he was not showing the same interest as he was showing at the time of depositing the money.When all her efforts failed,she informed the accused persons that she will approach the police and start legal proceedings against them.It was only after this that the accused persons agreed to meet the complainant somewhere in the month of January 2016.On 11/01/2016,the complainant,her mother and her husband somehow managed to trace the accused no.1,who on earlier occasions ignored and avoided the complainant and her family,and visited the office of the accused no.2,where they all met the Director of the firm,i.e.,the accused no.3 namely Sh.Anil Jindal.He refused to repay the deposited amount as well as the interest.Contrary to what the accused no 1 to 3 have been promising to the complainant in all these years,he took a stand that they cannot return the amount now.He tried to convince the complainant,her mother and her husband that the investments were safe with him and that he will return the amount within a period of few months. Having already lost her faith on the accused(s),the complainant refused to believe them and asked them to return at least some part of the amount immediately and to give specific dates on which the rest of the money will be returned

along with proper receipts in written.However they refused to give any money back immediately.Fearing that her money also might have been misappropriated and dumped in a fraudulent ponzi scheme,the complainant directly questioned the accused about the same.The accused persons blankly refused to show the complainant the company's balance sheet or any other proof that her money had indeed been invested in a genuine and legitimate manner.When the complainant and her mother refused to leave the premises without settling the issue,the accused no,2 and 3 issued a post-dated cheque dated 01/06/2017 in favour of the complainant of Rs.38,54,604/-drawn on Union Bank, Branch Faridabad Main,Haryana,explaining that the cheque amount is the total amount of the deposited amount of the complainant and her mother along with compensation @12% per annum from November 2013 till 01/06/2017.p.That it is pertinent to mention herein that the cheque was not handed over to the complainant or to her mother or husband.Accused no 3 blackmailed the complainant and her mother that the cheque will only be handed over if the complainant agrees to sign a Payment Guarantee Deed (PGD) which will be made available after a period of at least 15 days.He further added that this is the best he can do and that this was a take it or leave it offer.q.That when after the expiry of 15 days,on 1-2-2016,the complainant along with her mother,husband and the accused no.1 went to the office of the accused no.2,where accused no.1 introduced one Mr.Parvesh Kumar as authorized signatory of M/s SRS Buildmart Pvt.Ltd.,(i.e.,the accused no.4).They were also introduced to some other persons as Directors of the said company.There, the complainant was coerced into signing the Payment Guarantee Deed in order to get the above said post-dated cheque dated 01/06/2017 of Rs.38,54,604/-Though the complainant was shocked to read the contents of the fraudulently prepared PGD she and her mother had no option but to accept the same as otherwise they feared losing their entire deposited money.r.It is pertinent to mention herein that in the Payment Guarantee Deed,the transaction was fraudulently shown as between accused no.1 and 4 and the complainant and Mrs.Usha Rani Gupta instead of real transaction between accused no.2,3and the complainant and Mrs Usha Rani Gupta. The following wording:"Amount with interest up to 01.06.2017.This cheque is issued against Payment Guarantee Deed of Usha Rani Gupta/Pushpa Mittal/Anupama Mittal/Samarth Mittal having Nos.41,42,43 and 44 respectively(Full final payment)"were written upon the back side of said cheque no.227461 dated 01.06.2017 by the accused no.1.It is further pertinent to mention that such circumstances were skillfully created that the complainant had no alternative except to receive the cheque after signing the said payment guarantee deeds,which were got written as a part of criminal conspiracy by accused no.1 to 4 in collusion with each other in fraudulent manner.That the payment guarantee deed has been drafted in a cunning and fraudulent manner so as to conceal the criminal act and protect the real culprits as the accused no.1 has been projected as a principal borrower and the accused no.4 has been projected as a Guarantor for the investments made prior to the period in which it came in existence.It is pertinent to mention that the accused no.4 company namely SRS Buildmart Pvt.Limited was incorporated only on 01-10-2015.It is further pertinent to mention that the accused no.2,while handing over the said cheque assured the complainant and Mrs.Usha Rani Gupta that the cheque would be encashed on presentation. It is not worthy to mention that even as per alleged Guarantee Deed(s) all the accused No.1 to 4 are liable to make payment of aforesaid outstanding deposit amount along with interest to the complainant Mrs.Anupama Mittal and Mrs.Usha Rani Gupta.s.That it is pertinent to mention here in the Director of the accused no.4 namely Nanak Chand Tayal is a relative of the accused no.1 being his paternal uncle

(FufaJi).Shri Parvesh Kumar is its authorized Signatory and he has been in charge,responsible to the company for the conduct of its day-to-day business in all respect.However,all the business and financial affairs of the said company are also mainly to be decided,organized and administered by accused no.3 along with other Directors as M/s.SRS Buildmart Pvt.Ltd.is also a sister concern and one of the Associate Group Company of accused No.1-M/s.SRS Knowledge Technologies Ltd.That on 08/06/17,the complainant presented the above said cheque no.227461 dated 01/06/2017 of Rs. 38,54,604/-in her bank,however,she was in utter shock and surprise when she was apprised of the fact that the cheque got dishonoured because of the reason“Funds Insufficient”.This confirmed the suspicion of the complainant with respect to the above mentioned accused(s)of cheating,playing fraud, duping, inducing,breaching of trust and to misappropriate the hard earned money of the complainant and her mother.Since then all the accused no 1 to 4 have been evading all the efforts of the complainant to meet them or talk to them.2..It is now clear to the complainant that the accused no.1 to4 have hatched a criminal conspiracy against her for cheating, playing fraud,duping,inducing,breaching the trust and misappropriate her money.She has become a victim of the accused wherein like thousands of other investors,her and her family’s savings of several years have been sunk into a ponzi scheme.There is no hope of getting her money back and there is a fear that the accused may disappear and even physically harm the complainant or her family members.3.That from the very beginning the intention of the accused no.1 was to deceive the complainant and her family members and can be gauged from the fact that he himself introduced the Ponzi and frivolous schemes and plans of the accused no.3 to the complainants.The accused no.1 to 4 connived with each other and hatched a conspiracy whereby they indulged in cheating,fraud,breaching of trust after inducement and misappropriated the money belonging to the complainant and her family, causing wrongful loss of their savings of several years in order to cause wrongful gains to themselves. They first fraudulently gained the confidence and trust of the complainant’s family and then induced and lured them into parting with their lifelong savings through frivolous scheme.They misappropriated the complainant’s and her mother’s money and instead of investing it in a legitimate manner and dumped it into a fraud ponzi scheme.4.That the accused persons launched these plans and schemes in order to misappropriate the money invested in their companies and breach the trust of the public at large by committing the fraud on the public by inducing them with attractive assured returns on investments,which they had no intention of paying whatsoever.5.Therefore,you are kindly requested to file and register an FIR against the above mentioned accused(s)for the offences committed by them as per the provisions of the law for the safeguarding the interest of the complainant and the public at large.Sd-Anupama Dr Anupama Mittal R/o H.NO.1498 SEC-16 FBD अज थाना:-एक परिवाद नम्बरी 660/पेशी दिनांक 21.7.17 बाद जांच EOW सैल सैन्ट्रल जोन फरीदाबाद,बाद राय ADA साहब फरीदाबाद जिस पर DCP सैन्ट्रल साहब द्वारा मुकदमा दर्ज के आदेश बजरिया डाक थाना मे हुआ जो परिवाद के मजबुन से जुर्म जैर धारा 420,120B IPC वा 3 Haryana Protection of Intrest of Depositors Act-2014 का होना पाया जाने पर मुकदमा नम्बर 591दिनांक- 16.09.19 U/s 420,120B IPC वा 3 Haryana Protection of Intrest of Depositors Act-2014 थाना सैक्टर-31 फरीदाबाद में दर्ज रजिस्टर किया जाकर मुकदमा हजा की कम्प्युटराईज प्रतिया
